GENERAL REGULATIONS

1. *Value.* All competitive scholarships awarded from the Foundation will provide the full tuition fees of £75 per annum.

2. *Tenure.* The normal tenure of these scholarships will be for three years.

3. *Extension.* In some cases extension for a fourth year may be possible.

Such extensions will only be granted on the recommendation of the Principal if he considers that the work and progress of the scholar justifies it. In no circumstances will extension for more than one additional year be granted.

4. *Conditions.* The subject of competition, age limits and other conditions will be published at the beginning of January for each scholarship to be offered and particulars with entry form may be had on application to the Secretary at that time.

It is usually a condition of the scholarships established at the Royal Academy of Music that the candidates shall be "British born." The legal definition of this term given in the deeds of several of them is as follows :—

"The term 'British born' shall mean born of a father who at the time of his child's birth was a British Subject, or who if he shall have died before the birth of his child was at the time of his death a British Subject, or born on British soil of foreign parents."

5. *Date of Competitions.* Competitions will take place in March and successful candidates will commence their studies in the September following.

6. *Cancellation of Award.* Scholars failing to commence their studies in September will forfeit the award and the scholarship will be declared vacant. In such cases the Committee of Management may award the scholarship to the "*proxime accessit*" or hold another competition.

7. *Entries.* Candidates may compete for more than one scholarship, but no person will be awarded more than one.

8. *Eligibility.* The holder of any Academy or Associated Board Scholarship or Exhibition is ineligible to compete for any other scholarship or exhibition offered by either of these bodies.

In the case of open scholarships, students of the Academy will be ineligible to compete later than their second academic year.

9. If the progress or conduct of a scholar or exhibitioner is unsatisfactory, the Committee of Management may declare the scholarship or exhibition vacant and hold a new election for the residue of the term thereof.

10. The award of any scholarship or exhibition is subject to the acceptance by the candidate of the general regulations of the Academy and of the curriculum arranged by the Principal.

11. No departure from, or alteration in the foregoing regulations can be made, except by special resolution of the Committee of Management.

ASSOCIATED BOARD OF THE ROYAL SCHOOLS OF MUSIC.

Six scholarships, founded in 1897 in commemoration of the Diamond Jubilee of her late Most Gracious Majesty Queen Victoria, are offered each year by the Associated Board of the Royal Schools of Music, and are competed for by candidates from Britain and Ireland who have passed with distinction in Grade VII. (Advanced), or Grade VIII. (Final) of the Local Examinations of the Associated Board, and have qualified in Theory. Three of these scholarships are tenable at the R.A.M., and three at the R.C.M. Successful candidates are entitled to at least two years' free musical education with the possibility of extension for a third and fourth year.

The competitions take place in April/May. Particulars can be obtained from the Secretary, Associated Board, 14 Bedford Square, London, W.C.1.

Eighteen scholarships, each of the value of £200 per annum for three years' tenure, are also provided by the Associated Board for candidates from the Dominions and Colonies of the British Commonwealth. Six fall vacant each year, three at the R.A.M., and three at the R.C.M., and awards are made by the Board in accordance with particulars given in the overseas edition of the Board's syllabus of examinations.

BAUME (MANX) SCHOLARSHIP.

Founded in 1904 out of the estate of the late PETER HENRY JOSEPH BAUME, Esq., of Douglas, Isle of Man.

This scholarship is awarded for promise in any branch of music to candidates between the ages of 16 and 22 years. The scholarship is tenable only by persons born in the Isle of Man, or born of Manx parents, within certain limitations.

Candidates are required to pay an entrance fee of one guinea on entering their names, and must produce a certificate of birth. They must pass a simple examination in general education previous to the musical competition. A candidate is exempt from the Literary Examination who can produce a certificate of either of the University Local Examinations, or who shall have attained such a position at school or college as the Committee may consider sufficient. Such exemption must be claimed when sending in entry form, and must be accompanied by certificate referred to above. The examination and competition will be held at such time and place as may be appointed by the Committee.

The successful candidate is entitled to the benefits of the Scholarship for three years in the Academy, subject to the regulations of the Committee of Management.

The value of the Scholarship is £50 per annum.

The exhibition will be awarded to the candidate whose voice, mode of producing it, and general musical attainments will, in the opinion of the examiners appointed by the Trustees, render him most likely to take the highest position before the public as a tenor singer. The trustees have power to withhold the exhibition at any time if, in the opinion of the examiners, no candidate has evinced sufficient merit to entitle him thereto.
